

„Eurasia Moves to Supply Chain CX” – Business Delegation

Participant List (as of 10 September 2026)

Background

The study trip will take place from October 18 to 24, 2026, and will involve participants from transport and logistics associations and companies across Central Asia and the South Caucasus. This initiative aims to enhance knowledge exchange and foster networking opportunities among stakeholders in the logistics sector. The trip will include participation in the BVL Supply Chain CX event in Berlin, which is one of Germany's leading gatherings for the supply chain and logistics industry.

The primary goal of the study trip is to facilitate business networking and strengthen cooperation among private enterprises in Germany, the South Caucasus, and Central Asia. This collaborative effort aims to enhance the development of the Trans-Caspian Corridor, fostering inter and intra-regional trade, transport and market integration.

The delegation will consist of 32 participants, with four representatives from each of the eight countries involved: Kazakhstan, Kyrgyzstan, Tajikistan, Turkmenistan, Uzbekistan, Azerbaijan, Armenia, and Georgia. Each country will be represented by one member from a transport and logistics association and three representatives from private enterprises (of whom at least one is female).
